

KAMPARA PRATAP NAIDU

Civil Engineer

8686337790

Vishakapatnam, India

@kamparapratapnaidu@gmail.com

SUMMARY

I am a highly motivated individual looking forward to joining a reputable organization that will allow me to continue honing my skills and grow professionally. Throughout my career, I have developed strong communication, leadership, and problem-solving abilities that I hope to pass on to the next generation. I am eager to contribute to a team that values continuous learning and development.

PROJECTS

The Influence of flyash and wollastonite powder on mechanical and durability properties of ternary blended concrete at elevated temperature.

01/2024 - 04/2024 Gudlavalleru

Short summary of your work

- By incorporating natural and industrial waste materials as admixtures in concrete, we can significantly reduce environmental pollution while enhancing the material's strength and durability. This sustainable approach not only diverts waste from landfills but also contributes to a more resilient and eco-friendly construction industry.

Disposal of kitchen waste in a beneficial way to community

08/2022 - 08/2022 Gudlavalleru

Short summary of your work

- By repurposing kitchen waste, we can significantly reduce our environmental impact and contribute to a more sustainable society. Various methods exist for transforming food scraps into valuable resources, such as compost, animal feed, or even energy sources.

INTERNSHIPS

GAMBLER ENGINEERS LLP

Ability to understand client requirements and translate them into innovative designs.

SKETCHUP

Staying updated on current trends and technologies in architectural design for multistory buildings.

Skilldzure

Strong understanding of architectural principles and design concepts by revit software.

EDUCATION

B.Tech (Civil Engineering) with 8.01 CGPA

Seshadri Rao Gudlavalleru Engineering College

01/2020 - 06/2024 Gudlavalleru

Intermediate (M.P.C) with 9.15 CGPA

Narayana Junior College

06/2018 - 03/2020 vishakapatnam
